

May 4, 2023

Good morning! It's Irene Qiu from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

Today is May 4, a fun day that reminds us how important it is to stand up for what is right and make a positive impact in the world. It's a day that can teach us a valuable lesson about being strong and not giving up. As Yoda once said "Do or do not, there is no try." Let this be a reminder that when we face a challenge, we should give it our all and not give up until we succeed.

Take today as an opportunity to think about how we can make a difference in our school and community through our actions. Remember that even small acts of kindness and understanding can change the world.

Let's try to be like the Jedi and use our skills for good and kindness. Together, we can make the world a better place and make the future brighter. May the force be with you!

Thanks for listening have a Tomorrow's Leaders Thursday 😊
