Good morning! It's Sophia from 731 and I'm here this Words of Wisdom Wednesday on behalf of the S.E.A.L Team.

Something is strange, unusual, or weird when it is peculiar. Peculiar individuals stand out from the crowd and are somewhat unusual or out of the ordinary. These people ought to be celebrated today on Peculiar People Day. Today is not the time to criticize someone by highlighting their differences. The day is instead dedicated to honoring all forms of uniqueness.

If we were all the same, the world would be a pretty boring place. Don't you think? We must accept differences and draw lessons from them. You never know what brilliant ideas might emerge from this. As Dr. Seuss once said, "Why fit in when you were born to stand out?"

Thanks for listening have a Weird Wednesday 😊
