Good morning, I.S. 201! This is Aubrey from class 731 with you this Thoughtful Thursday on behalf of the S.E.A.L. Team!

Did you know that today is International Project Management Day? That means people all around the world are teaming up to plan, create, and bring big ideas to life. It's a great reminder that when we work together, anything is possible!

Teamwork helps us reach our goals, share creative ideas, and make our dreams come true. As Helen Keller once said, "Alone we can do so little; together we can do so much."

So let's remember, teamwork is a key to success! Like Marie Curie, today's affirmation is: *"I stay focused on what truly matters."*

Thank you for listening and have a Together We Can Succeed Thursday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
