

March 24,2023

Good morning! It's Rainie from 731 and I'm here for the SEAL
Summary Friday on behalf of the S.E.A.L Team.

Today is a special day as we celebrate the International Day of
Achievers. This day is all about recognizing those who have worked hard and
accomplished great things, no matter how big or small.

As we celebrate this day, let us remember the words of Nelson
Mandela: "It always seems impossible until it's done." This quote serves as a
reminder that even when faced with challenges, we can overcome them and
achieve our goals with hard work and determination. Our achievements not
only impact ourselves, but also those around us. The way we make others
feel with our accomplishments can be just as important as the
accomplishments themselves.

Let us take inspiration from the achievements of others and use this
day as motivation to pursue our own dreams.

Thanks for listening and have a Fierce and Fabulous Friday 😊
