

December 13, 2022

Good morning IS 201!!! I am Alice from 615 and I will be speaking to you on this Talk A lot Tuesday on behalf of the SEAL Team.

Every year on December 13, the United States observes National Cocoa Day. Cocoa powder, heated milk or water, and sugar are commonly used to make hot cocoa. However, some people refer to it as hot chocolate, which causes some confusion. Hot chocolate is made with ground chocolate that contains cocoa butter. Whatever name you give it, make sure to sip on a cup of cocoa today, whether by yourself or with a loved one. Make a cup of cocoa to your liking and enjoy it.

Have a cup of hot chocolate and unwind for a moment. Enjoy the flavor and soak in the atmosphere. A cup of hot chocolate is the ideal beverage on these chilly winter days. It's the ideal pick-me-up after a long day at work or school.

Thanks for listening and have a Tasteful Tuesday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream  
We teach it every day  
To help others live the optimistic way  
We learn to control our emotions and feelings  
So, we always have effective social dealings  
No stone left unturned; no person left behind  
Every member of our team has the power to be kind  
We spread kindness to our friends, families, and those who need a smile  
When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
