Good morning IS201! It's Elly Wufeng from 851 back with another Motivational Monday message on behalf of the SEAL Team.

March is National Reading Month! It's a month of celebration of the boundless wonders that books hold within the pages. Books hold worlds we only picture from imaginations. Whether its poems, novels, biographies, or graphic novels, they provide endless knowledge and possibilities we never thought would come true. When we read, we dive into new worlds, explore diverse perspectives, and our imaginations and curiosity is sparked by the words within. There's got to be that one book that holds a special place in your heart. Maybe its because you can relate to it, or the author just did a fantastic job penning the book, but whatever reason it may be, books are timeless companions that serve as a friend. As Dr. Seuss famously said, "The more that you read, the more things you will know. The more that you learn, the more places you will go." This quote reminds us how important reading is and in short- reading is the key to success!

Affirmation of the Day-

"I choose to stay patient and avoid getting frustrated."

Thanks for listening and have a Make Time to Read Monday!
