Good morning IS 201! It's Elly from 751 this last Motivational Monday of the school year on behalf of the SEAL Team.

On this last Monday of the school year, let's seize the day with enthusiasm and positivity! We've come a long way, we've worked hard, overcome challenges, discovered new talents, and grown as individuals. Today is a chance to celebrate our accomplishments and appreciate the hard work we've put in. Remember, success is not just about grades and achievements; it's about the lessons we've learned and the growth we've experienced.

Today, let's embrace these inspiring words by Walt Disney: "All our dreams can come true if we have the courage to pursue them." Believe in yourself because you hold the power to shape your own future. Let's make the most of this day and keep that positive energy IS 201!

Thanks for listening and have a Moving on to the Next Chapter

Monday 😊
