Hello and good morning! I'm Zain from 731, and I'm here on behalf of the S.E.A.L Team on this Talk A Lot Tuesday.

Did you know it's National Brothers and Sisters Day today? A day to honor the special bond you share with your siblings. Although, most of us have many flights with siblings who are younger or older than us. It is critical to recognize that siblings are a gift and that they must appreciate one another because it is a lifelong relationship.

James Patterson once said, "Half the time, when brothers wrestle, it's just an excuse to hug each other. "So, as one should, let us strive to have a good sibling relationship.

On another note, the S.E.A.L Team wishes everyone well on today's Day 1 Math State Test. Also, if you want to participate in the talent show, please see Ms. Koutsopetras in Room 515. We'd want to see your talent!

Thank you for your time and have Thick and Thin Sibling Love  
Tuesday 😊
