

September 11, 2025

Good Morning I.S.201! My name is Heidy from class 711, and I am here for this Thoughtful Thursday on behalf of the S.E.A.L team.

Today is September 11th. On this day in 2001, our country faced a tragic event that deeply affected many families and communities. Nearly 3,000 lives were lost, and countless others were forever changed.

Each year, we take time on September 11th to remember and honor the victims, the families, and the first responders who showed great courage. It is a reminder of the importance of unity, kindness, and supporting one another, not only on this day but every day.

At this time, let us pause for a moment of silence to reflect and honor their memory, also to remember all those who were impacted.

Like Jane Addams, today's affirmation is: *"I serve others with compassion and I speak up for what is right."*

Thanks for listening and have a Take a Moment to Remember Thursday 😊
