

April 21, 2026

Good morning IS 201, my name is Hana from class 731 and I'm here with you on this Talk-a-Lot Tuesday on behalf of the Seal Team.

Today, April 21st, we're celebrating World Creativity and Innovation Day, a day that encourages everyone to think outside the box and come up with new ideas that can make a difference. Whether it's solving a problem in a unique way, expressing yourself through art or music, or simply trying something new, creativity helps us grow and improve both individually and as a community.

So today, challenge yourself to be creative in everything you do. Share your ideas in class discussions, work together with your classmates to come up with fresh solutions, and don't be afraid to take risks and think differently. Innovation starts with imagination, and every great idea begins with someone willing to try. Let's make this Talk-a-Lot Tuesday a day full of positive energy, creativity, and bold thinking.

Like Leonardo Da Vinci, the affirmation of the day is, "I matter."

Thanks for listening and have a Thinkers of Tomorrow Tuesday 😊

S.E.A.L. Team Pledge

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
