

# APRIL 2026

## I EXPLORE AND INVENT AND I...

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 Let my curiosity guide me to new discoveries.	2 Experiment and learn from mistakes.	3 See the world from different perspectives.	4 Explore different ways to solve the same problem.
5 Use creativity to express what I see and feel.	6 Sketch out my ideas to bring them to life.	7 Imagine inventions that could help others.	8 Am not afraid to try something new.	9 Believe every idea starts with a dream.	10 Pay attention to the details around me.	11 Believe everything is connected in some way.
12 Follow my passions with dedication.	13 Believe that great ideas take time.	14 Use my hands and my heart to create.	15 Value both thinking and doing.	16 Believe in the power of observation.	17 Share my ideas to inspire others.	18 Use creativity to make the world better.
19 Connect ideas across different subjects.	20 Believe in asking questions.	21 Matter.	22 Combine art, science, and invention.	23 Take pride in being a thinker and a dreamer.	24 Use learning as a way to grow my mind.	25 Challenge myself to keep exploring.
26 Study how things work to build something new.	27 Believe everything is connected in some way.	28 Am an inventor of ideas and imagination.	29 Follow my passions with dedication.	30 Carry Leonardo da Vinci's spirit by creating and discovering.		

### Leonardo da Vinci (April 15, 1452)

Leonardo da Vinci was a creative genius who painted the Mona Lisa and designed amazing inventions. He always asked questions and wanted to learn more about everything. He showed how curiosity and thinking in new ways can be powerful.
