

October 16, 2026

Good morning, IS 201! My name is Leilani from class 831, and I am here with you on behalf of the SEAL Team for this Friday Focus!

Today is October 16th, which is World Food Day, an international day that brings attention to food security and the importance of making sure everyone has access to enough safe and nutritious food. World Food Day was created to recognize the founding of the Food and Agriculture Organization of the United Nations in 1945.

This year's theme is "Innovate Today Nourish Tomorrow," which focuses on how new ideas, technology, and teamwork can help create a better and more sustainable food system for the future.

World Food Day is also a reminder that something as everyday as the food we eat connects us to people, communities, and the environment around the world. As students, we can make a difference through small actions, like avoiding unnecessary food waste, appreciating the food we have, and being mindful of how our choices affect others.

The affirmation of the day is, "I make choices I can be proud of."

Thank you for listening and have a Foody Friday 😊

S.E.A.L. Team Pledge

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
