Good morning! It's Zain from 731 and I'm here this Talk A lot Tuesday on behalf of the S.E.A.L Team.

Did you know today is National Pet Parents Day? A day to celebrate the special bond between pets and their owners. Pets can teach us many things about love, loyalty, and responsibility, and being a pet parent can help us develop important social and emotional skills.

As we recognize this day, let's remember the words of Mahatma Gandhi, who said, "The greatness of a nation can be judged by the way its animals are treated." Let's strive to be responsible pet parents by providing our furry friends with the love, care, and attention they deserve.

Thanks for listening have a Tails-Wagging Paw-some Tuesday 😊
