Good morning! It's Irene Qiu from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

Today is a day that radiates positivity and happiness because it's National Smile Power Day!

We all know the power of a smile—it's contagious and has the ability to brighten someone's day. As Charles Chaplin once said, "A day without laughter is a day wasted." So, let's embrace this day as an opportunity to share our smiles with one another, reminding ourselves and those around us of the incredible impact a simple act of kindness can have.

Smiling not only lifts our spirits, but it also creates a ripple effect, making others feel good too. As we interact with our classmates and teachers today, let's remember the power we hold to make a positive difference. So, let's put our smiles on display and brighten every corner of our school. Share your smiles, compliments, and kind words generously.

Remember, a smile costs nothing but gives so much.

Thanks for listening have a Thrive on Smiles Thursday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day
To help others live the optimistic way
We learn to control our emotions and feelings
So, we always have effective social dealings
No stone left unturned; no person left behind
Every member of our team has the power to be kind
We spread kindness to our friends, families, and those who need a smile
When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
