

June 17, 2025

Good morning I.S.201! This is Keqing from class 631 here with you this
Talk A lot Tuesday on behalf of the SEAL Team.

Today, on World Day to Combat Desertification and Drought, we
reflect not only on the environmental challenges facing our planet, but also
on our shared responsibility to care for the Earth and for each other.
This day is about resilience, awareness, and taking mindful action which are
values deeply connected to Social and Emotional Learning.

Let's use this day to grow not just environmental awareness, but
emotional intelligence. When we care for our world with compassion and
purpose, we create a more sustainable and connected future for everyone.

Thanks for listening and have a Thirstless Tuesday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team
Positivity is our dream
We teach it every day
To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
